## 25% discount on all root prices

*Guarantee*—All guaranteed true to name or we will replace them, but we are not responsible for more than purchase price. Our tubers are strong divisions of field grown roots and with proper care will give wonderful results.

*Green Plants*—from better varieties will be ready for shipment after May 15th or when danger of frost is past and can be set out as late as July and have wonderful blooms. These plants are strong and well-rooted, hardened off to keep right on growing and should be planted 2 inches deeper than pot level. They not only produce wonderful flowers the first year, some times the best exhibition blooms. but enables you to get the best high priced varieties at a great saving. Plants at one-half the price of tubers.

*Order Early*—Early orders are solicited to prevent dissatisfaction in case our stock of selected varieties has been depleted. We do not substitute unless requested to do so. Money will be refunded if stock is exhausted.

*Delivery*—Tubers will be delivered from May 1st to June 15th unless otherwise requested. Please state by what method you want tubers forwarded.

*Terms*—Cash with order or 25 per cent of amount with order and balance at time of delivery. Deduct Ten per cent, tuber or plant value, on all orders from \$5.00 to \$20.00. Deduct Twenty per cent, tuber or plant value, on all orders from \$20.00 to \$30.00. Deduct Thirty per cent, tuber or plant value, on all orders over \$30.00.

*Flower-lovers* are welcome at all times to visit our garden and see the flowers in bloom, such as they expect to raise from bulbs and tubers purchased from us.

*Abbreviations*—C. Cactus; S. C. Semi Cactus; D. Decorative; I. D. Infornal Decorative; F. D. Formal Decorative; P. Peony Flowered.

### GLADIOILUS

We also raise Gladiolus and can supply prices of varieties on request. We offer good Gladiolus mixtures at \$4.00 and \$5.00 per hundred.
